RESPONSE TO NOTIFICATION OF NON-COMPLIANCE

Mail Stop APPEAL BRIEF
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In response to the Notification of Non-Compliance mailed December 29, 2004, the applicant respectfully re-submits the Appeal Brief filed in connection with the above-captioned application.

Remarks begin on page 2 of this paper.

Application No. 09/681,441
Response to Non-Compliance dated January 27, 2005
Decision of Primary Examiner dated July 7, 2004

REMARKS

In the above-noted communication, the Examiner identified a previously submitted Appeal Brief as being defective for failing to comply with certain provisions regarding form and structure. In particular, it was noted that proper headings were not included, that line numbers were not included in the concise explanation of the claimed invention, and that a claim appendix was not included.

Submitted herewith, in triplicate, is a new Appeal Brief that complies with the above requirements. In particular, the appropriate headings are set forth and the Summary of Claimed Subject Matter section now includes specific page/line references. The Claims Appendix appears as section 8 on page 13.

The applicant respectfully submits that the newly submitted brief is compliant with the applicable rules and is in sufficient condition to support consideration.

Respectfully submitted,

By:
